Official rules in short (ITSF)

- Games to 5, usually best of three or best of five. Deciding game: win by 2, up to 8 at most.
- Spinning is a foul: the rod may not turn more than 360 degrees before or after hitting the ball.
- Every goal counts one point, including from the midfield and the goalkeeper.
- A goal counts once the ball has fully crossed the line, even if it bounces back out.
- Kick-off: from the middle figure of the 5-bar, after asking "Ready?".
- Ball off the table: the team that did not play it off restarts from its goalie rod.
- Time limit: 10 seconds on the 5-bar, 15 seconds on the other rods.
